Luxury is at the forefront of our Lisbon design. A centrally located living zone features a large kitchen (plus walk in pantry) and open plan dining and living area. A private master suite is located at the front of the house and includes a luxurious ensuite with double shower and bath and a walk in robe. The additional three bedrooms are located at the other end of the house ensuring parental privacy. A separate media room or lounge is adjacent to the master suite, so the whole family can enjoy watching blockbusters on the big screen!
