## ROCKDALE 87

3

1

A design that manages to provide a great lifestyle for a young couple or family, while still being able to fit on a smaller block. This is also a great option for a unit development with two different floor plans to choose from. The open plan living, with the modern kitchen, is a great space to entertain family and friends. You'll enjoy the way the Rockdale can fit so much into its clever design.
