The Swanson is a great choice for the first home buyer. Containing three bedrooms, including a private main bedroom with walk-in-robe and ensuite bathroom, you will be amazed at how much this design can fit in. When you are preparing the family meals in the contemporary styled kitchen you will also be able to keep an eye on the kids in the living area or alfresco deck. There are two further bedrooms with built in robes and a family bathroom. What more is needed in your very own home?
